

## CORSICA

The collection is represented by floor cabinets in three sizes: 65, 75, and 85 cm in width and is completed with ceramic washbasins produced by the Russian Kirovit factory. The facades of the collection are made of MDF (high density fibreboard) and covered with 5 layers of white matte enamel. The sides are also painted with laminated chipboard (high density particle board). The collection is completed with mirrored cabinets with middle doors opening system. All doors are equipped with furniture hinges with an integrated doorstop that ensures smooth closing.
